2. Yes No: Has the PHA adopted any discretionary minimum rent hardship exemption policies?
3. If yes to question 2, list these policies below:
Minimum Rent Hardship Exception:
In the Public Housing Program, "minimum rent" refers to minimum total payment. The Qualit

Housing and Work Responsibility Act (QHWRA) has established exceptions to the minimum rent requirement. RHA minimum rent is \$50.00. The exceptions to the minimum rent requirements for hardship circumstances shall include the following situations:

• The family has lost eligibility for assistance and is awaiting an eligibility determination for a Federal, State or Local assistance program;

- A family may be evicted due to the imposition of the minimum rent requirement;
- The family's income has decreased due to changed circumstances, including loss of employment;
- Exemption may not be provided if said hardship is determined to be temporary;
- The family must provide RHA with documentation of hardship under the circumstances.

If RHA determines that the hardship is temporary, the minimum rent is then imposed, including all back payment of minimum rent from the time of suspension; however, the family will not be evicted for non-payment during the ninety (90)-day period commencing on the date of the family's request for exemption of minimum rent in excess of the tenant rent otherwise payable. A reasonable agreement is an option for any such rent not paid during that period. If the family, thereafter, demonstrates that the financial hardship is of long-term duration, RHA shall retroactively exempt the family from the minimum rent requirement.

- All RHA families, under the law, can request a minimum rent hardship, and that determination is subject to RHA grievance procedure.
- If the family requests a hardship exemption, the minimum rent requirement is immediately suspended.
- Suspension may be handled as follows:
 - a. The minimum rent is suspended until a determination is made whether there is a hardship or the hardship is temporary or long-term.

This policy is retroactive to the effective date of the QHWRA, October 21, 1998. If a resident in occupancy has qualified for one of the mandatory hardships, RHA shall make arrangements to offset future rent payments in an equitable manner.

Residents affected by this policy do have a right to administrative review through RHA's Grievance Procedure.

RESOLUTION NO. 7-1999

APPROVING AMENDMENTS TO ADMISSIONS & CONTINUED OCCUPANCY POLICY

WHEREAS, the Commissioners of the Housing Authority of the City of Rockmart, Georgia, have reviewed the proposed amendments to the Admissions & Continued Occupancy Policy;

NOW THEREFORE, be it resolved by the Board of Commissioners of the Housing Authority of the City of Rockmart, Georgia, that the following amendments to the Admissions & Continued Occupancy Policy is hereby approved:

Amend ACOP to read:

Page 17 – Revise 18 to 12 months. Delete last sentence (bold print) and replace with the following 12-Month Rent Freeze information:

Income exclusion applies when the earned income increase is the result of a family member who 1) was unemployed for at least 12 months, 2) is participating in a self-sufficiency program or job training program, or 3) is, or was in the past 6 months, receiving welfare. Rent will be phased in 50 percent annually over a two-year period.

Page 19 – Last paragraph changed to read "The Authority may waive this requirement if the person demonstrates to the Authority's satisfaction, successful completion of a residential alcohol or drug treatment program, or the circumstances leading to the eviction no longer exists.

Page 25 – Omit entire #5. Singles Preference paragraph and replace with (title only) "Veterans".

Page 28 – Add the following at the end:

12. Family Choice of Rental Payment

Residents are afforded a choice, annually, whether to pay rent based on their income or to pay a flat rent, based on the rental value of the unit. Families experiencing hardships may switch from paying flat rent to income based rents. Incomes of families paying flat rents must be reviewed not less than once every three years; incomes of families paying income-based rents must continue to be reviewed once a year.

Page 32 – Add the following at the end:

6. Deconcentration

It is Rockmart Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Towards this end, Rockmart Housing Authority will skip families on the waiting list to reach other families with a lower or higher income. This will be accomplished in a uniform and non-discriminating manner.

Rockmart Housing Authority will affirmatively market its housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, Rockmart Housing Authority will analyze the income levels of families residing in each of its developments, the income levels of census tracts in which the developments are located, and the income levels of the families on the waiting lists. Based on this analysis, Rockmart Housing Authority will determine the level of marketing strategies and deconcentration incentives to implement. The work sheets for this analysis are in the files of Rockmart Housing Authority.

Income Targeting

Not less than 40% of new families must have incomes at or below 30% of the area median income.

There are three further limitations on Rockmart Housing Authority's use of fungibility. Fungibility "credits" only can be used to drop the annual requirement for housing very poor families below 40 percent of newly available units in public housing, by the lowest of the following amounts:

- (a) The number of units that (1) are in projects located in census tracts having a poverty rate of 30% or more, and (2) are made available for occupancy by and actually occupied in that year by very poor families; or
- (b) The number of units that cause Rockmart Housing Authority's overall requirement for housing very poor families to drop to 30% of its newly available units.

Page 33 - Replace Item A. with the following:

A. When leasing a vacant dwelling unit, the Rockmart Housing Authority will offer the unit to the first applicant on the waiting list in accordance with the Rockmart Housing Authority's preferences. In the event the first applicant on the waiting list does not respond or is unable to rent the unit, for any reason, within a three-day period, the vacant dwelling will be offered to the next applicant on the waiting list.

Replace the last line of Item B. with the following:

B. The third refusal will result in the applicant's name being removed from the waiting list for a period of three months."

Page 73 – Add to end of definition of *Disabled Person* the following:

and adds to the definition of persons with disabilities that no individual will be considered a person with disabilities solely on the basis of any drug or alcohol dependence.

Page 83 – Move the existing #4. MAINTENANCE, REPAIR AND SERVICES to become #6, and insert the following:

4. MINIMUM RENT

The Rockmart Housing Authority has established a minimum rent of \$50.00 for all its residents. Thus, the Rockmart Housing Authority, in compliance with HUD's minimum rent requirement, is establishing the following policy. The purpose of this policy is to ensure that Rockmart Housing Authority residents (with zero income) are not evicted simply because they cannot pay the minimum rent. The Rockmart Housing Authority will take (in order) the following steps:

- a) The Rockmart Housing Authority will determine the seriousness of the family's financial situation.
- b) The Rockmart Housing Authority will refer said family to a local agency/church for financial assistance.
- c) Where appropriate, the Rockmart Housing Authority will allow the resident to perform janitorial and/or maintenance duties (in lieu of rent) at a satisfactory level as determined by the Director of Technical Services.

Minimum Rent Hardship Exception

In the public housing program, "minimum rent" refers to minimum total payment. The Quality Housing and Work Responsibility Acts (QHWRA) has established exceptions to the minimum rent requirement. Rockmart Housing Authority's minimum rent is \$50.00. The exceptions to the minimum rent requirements for hardship circumstances shall include the following situations:

- The family has lost eligibility for assistance and is awaiting an eligibility for determination for a Federal, State or Local assistance program;
- A family may be evicted due to the imposition of the minimum rent requirement;
- The family's income has decreased due to changed circumstances including loss of employment;
- Exemption may not be provided if said hardship is determined to be temporary;
- The family must provide Rockmart Housing Authority with documentation of hardship under the circumstances.

If Rockmart Housing Authority determines that the hardship is temporary, the minimum rent is then imposed, including all back payment of minimum rent from the time of suspension; however, the family will not be evicted for non-payment during the ninety (90) day period commencing on the date of the family's request for exemption of minimum rent in excess of the tenant rent otherwise payable. A reasonable repayment agreement is an option for any such rent not paid during that period. If the family, thereafter, demonstrates that the financial hardship is of long-term duration, Rockmart Housing Authority shall retroactively exempt the family from the minimum rent requirement.

All Rockmart Housing Authority families, under the law, can request a minimum rent hardship; and that determination is subject to Rockmart Housing Authority's grievance procedure.

If a family requests a hardship exemption, the minimum rent requirement is immediately suspended. Suspension may be handled as follows:

 The minimum rent is suspended until a determination is made as to whether there is a hardship or whether the hardship is temporary or long term. This policy is retroactive to the effective date of the QHWRA, October 21, 1998. If a resident in occupancy has qualified for one of the mandatory hardships, Rockmart Housing Authority shall make arrangements to offset future rent payments in an equitable manner. Residents affected by this policy do have a right to administrative review through Rockmart Housing Authority's grievance procedure.

5. TREATMENT OF INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS.

Rockmart Housing Authority families whose welfare assistance is reduced specifically because of fraud or failure to participate in an economic self-sufficiency program or comply with a work activity requirement must not have their rent reduced based on the benefit reduction. The prohibition on reduction of public housing rent is applicable only if the welfare reduction is neither the result of the expiration of a lifetime time limit on receiving benefits, nor a situation where the family has complied with welfare program requirements, but cannot obtain employment (i.e., the family has complied, but lacks welfare because of the duration of a time limit such as a cap on welfare benefits for a period of no more than two years in a five-year period).

Rockmart Housing Authority, after a reduction in resident income from welfare, may deny the request only after obtaining written third party verification from the welfare agency that the family benefits have been reduced because of non-compliance with economic self-sufficiency program.

Page 87 – Add the following community service item after Paragraph 26:

27. Every adult resident of public housing will be required to perform eight hours of community service each month, or participate in a self-sufficiency program for at lease eight hours every month. This requirement does not apply to elderly persons, disabled persons, persons already working, persons exempted from work requirements under State welfare to work programs, or persons receiving assistance under a State program that have not been found to be in noncompliance with such a program. In some circumstances, Rockmart Housing Authority must refuse to renew a resident's 12-month lease for failure to satisfy this requirement.
